

Debit and Credit Cards Now Accepted for Most All City Payments

The City recently completed a successful conversion from our previous online utility bill payment processor.

We have partnered with Xpress Bill Pay, the premier provider for online bill payment systems.

The conversion allows the City to now accept, at the City Hall Cashier Window, Visa and MasterCard debit or credit cards as payment for water/sewer bills, business licenses, building rental, court fines, recreation classes and building permit fees.

Water/sewer bills can also be paid online from the City's home page which will connect to our new online bill payment systems provider. If you previously used IntelliPay, you must re-register and enter your information with Xpress Bill Pay. Once you sign up you can choose options for monthly auto pay, and reminder e-mails to let you know when your bill is online and more. You can pay with credit card, debit card or electronic funds transfer.

We offered this service at the request of our customers — you asked and we delivered! To sign up for online payment of your water/sewer bill, just go to www.troutdale.info and follow the online bill pay link. And remember, it's free to sign up and free to use. Won't you sign up today?
